

# VIRTUAL STORYTIME

@ the DeSoto Public Library

## APRIL 16TH, 2020

Today's theme will focus on the importance of wearing a face mask during times of sickness.

Otis wears his face mask because he thinks it is "cool" to be a ninja. But he also learns that wearing a face mask can keep him safe.

## **PARENT'S TIP**

Wearing a face mask can be a frightening or uncomfortable experience for your child. If your child shows a resistance to wearing the mask and/or keeping it on, allow your child to use his/her imagination to encourage cooperation. Like Otis they may not appreciate the safety reasons, but perhaps becoming a ninja or a bandit or an astronaut might make wearing the mask less scary.

## **10 LITTLE NINJAS FINGERPLAY**

I have ten little ninjas,  
And they all belong to me.  
I can make them do things,  
Would you like to see?

I can line them up tight,  
Or I can make them stand wide.  
I can put them together,  
Or make them all hide.

I can make them jump high,  
I can make them jump low.  
I can fold them up quietly,  
And hold them just so.
